In the Matter of

Amendment of Section 73.202(b),
Table of Allotments,
FM Broadcast Stations.
(McCook, Nebraska)

MM Docket No. 00-6
RM-9791

Adopted: January 5, 2000

Released: January 14, 2000

Comment Date: March 6, 2000

Reply Comment Date: March 21, 2000

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by McCook Radio Group, LLC. ("petitioner") requesting the allotment of Channel 271C1 to McCook, Nebraska, as the community's fifth local FM service. Petitioner states that it will apply for the channel, if allotted.

2. We believe petitioner's proposal warrants consideration since the allotment of Channel 271C1 could provide the community with an additional local aural service. Channel 271C1 can be allotted to McCook in compliance with the Commission's minimum distance separation requirements with a site restriction of 19.6 kilometers (12.2 miles) west to avoid a short-spacing to Station KKQY, Channel 270C1, Hill City, Kansas, and the pending application of Station KRNY, Channel 272C1, Kearney, Nebraska (BPH-19991020AM).^{1 2}

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

¹ The coordinates for Channel 271C1 at McCook are 40-12-00 North Latitude and 100-51-25 West Longitude.

² The petitioner proposed a transmitter site 31.5 kilometers (19.6 miles) north at coordinates 40-29-16 North Latitude and 100-39-34 West Longitude. However, this site conflicts with the prior filed application of Station KRNK for Channel 27.2C1 at Kearney, Nebraska. In addition, it is the Commission's policy to propose allotments with the least possible site restriction where the allotment would be the subject of a filing window.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
